### **Welcome Back!**

We are excitedly preparing for the start of what will surely be another great school year!

A few important items to note:

1. School starts on Tuesday, September 3<sup>rd</sup> from 11:00 am. Kindergarten students will be on a gradual entry schedule until September 12<sup>th</sup>. Kindergarten teachers will be contacting you to outline this schedule.
2. Classroom assignments and staffing are still being determined, and you and your child will know about their classroom assignment on Tuesday, September 3<sup>rd</sup>. This assignment is tentative, and can change depending on enrollment/staffing changes.
3. If your child might not attend the school this year, please let the school office or school board office know immediately.
4. Please consider getting involved with our PAC! We are very blessed to have had a very strong PAC, and most of the executives will be stepping away from their positions. The PAC Annual General Meeting will be in October, so please consider attending the meeting and volunteering for one of the roles.

If you have any questions, please consult our school website (<https://no.schools.sd68.bc.ca/>) or call our office at 250-245-3330.

Thanks,  
John Cunnian  
Principal
