

École NORTH OYSTER Elementary

13470 Cedar Road,
Ladysmith B.C. V9G 1H6

Dear Families,

Welcome to another exciting year of learning at École North Oyster Elementary! Last spring Miss Fall and I had great fun making changes and enhancements to our English novel and Early Chapter Book collections. September is the perfect time to explore and celebrate these improvements with our students.

To this end, we are launching a reading challenge called **“Discover a Whole New World of Books/Découvrir un nouveau monde de livres”**.

How can your child participate?

- Each student will receive a home-reading “passport” to be completed by **December 12, 2019**.
- We ask that your child read an assigned library book or be read to, and that you sign their passport once the book is finished.
- Students will return their passport on or before December 12, 2019 to win!

Will there be prizes?

Of course!

- All students who complete the home-reading passport and return it on or before December 12, 2019 will be invited to attend our “Discover a Whole New World of Books” Celebration! There will be pizza, ice cream and lots of fun!
- Many book prizes will be up for grabs. Winning students will pick a book of their choice!

When does the challenge start?

- The challenge will begin during the first week of library book exchange (September 16-19).

Thank you for your essential support in helping your child become a life-long reader!

Mme Patrice and Miss Fall
